HJI invites you to the Faculty Roundtable on Thursday, December 4 at 7pm ET, hosted by Dr. Thomas Walsh, HJI President. Dr. Michael Mickler, Distinguished Professor of Historical Studies, will be speaking on the recently published volume, *True Parents in America: A Chronology, 1965-2025.* He will be joined by three of the volume’s editors, Dr. Franco Famularo, Chair of the HJI Board of Trustees; Mr. Michael McDevitt, Director of the HJ East Garden Museum; and Ms. Tal Zorer, Executive Assistant to the President, FFWU-USA.

True Parents’ 60 years of ministry in the U.S. demonstrate unparalleled devotion, dedication and consistency. The 600-page chronology is the most complete documentation to date of the 9,326 days they spent in the United States. It includes full coverage of True Parents’ words (sermons, speeches, commentaries, proclamations and addresses), their spiritual and pastoral leadership, and initiatives related to their vision of social and cultural transformation. The editorial team worked for more than five years collecting and verifying entries in what was truly a labor of love.

For Unificationists, True Parents are the bearers of “new truth” and embodiments of that truth. As such they not only convey divine teachings but also provide a model to follow.

Please join us for this informative presentation, followed by a Q&A session with the audience! We look forward to an insightful and engaging event.
