Reestablishing our direction in life through Chambumo Ron

On February 1, 2026 (HC 12.14), a "Higher Ground" Tour Worship led by Continental Director Demian Dunkley was held at Capital Family Church in Washington, DC, as part of Rev. Dunkley's ongoing North America tour.

Hundreds of members joined both online and in person.

The service included a graduation ceremony for new members who had completed a 12-week "Living the Principles of Peace" education program.

Continental Director Dunkley conveyed True Parents' devotion and love for the members.

At a welcoming dinner new members shared testimonies of how the Chambumo Ron teachings had helped them set a new direction in life.
