April 24, 2026

Dear Brothers and Sisters,

We would like to share an important update regarding Rev. Dr. Ki Hoon Kim. Having faithfully dedicated more than 50 years of his life to advancing the providence in America, he has offered unwavering leadership, guidance, and heart to our community. Recently, it has become clear that after many years of tireless service, he would benefit from taking time to focus on fully restoring his health.

With this in mind, and with his full agreement, Dr. Kim has requested and received approval to step back from his current leadership responsibilities within Cheon Shim Won, World Christian Leadership Conference, and other Board roles. This transition comes with deep gratitude for his lifelong contribution and reflects a shared desire that he be able to restore his strength and well-being.

Dr. Kim continues to remain close in heart to the providence, offering his prayers and support, especially for True Mother during this important time. We ask all members to join in appreciation for his extraordinary service and to keep him and his family in your prayers as he enters this new season. Details regarding a time of appreciation and gratitude will be shared in the near future.

New Leadership Appointments will be shared shortly in a separate memo.

Thank you,

Rev. Demian Dunkley
