Resonance Prayer Workshops for English- and Japanese-speaking participants were held between May 21 and June 3 at Cheonshim Won and Hanhwa Gung in Las Vegas.

The 2nd English-language Resonance Prayer Workshop, held from May 21 to 23, was attended by members who had attended at least 100 days of the Cheonghim Won Night Vigils.

Beginning on June 1, a faith-enrichment workshop for Japanese trainees followed, featuring lectures on *Chambumo Ron* and prayer training.

On May 30, approximately 280 North American members participated in the Hanhwa Gung Great Works, taking part in CheonBo Providence education, a Hyo Jeong Offering Ceremony, and the Ancestor Blessing Ceremony, further strengthening their faith centered on True Parents.
