Dear Brothers and Sisters,

Thank you for your continued love and devotion to Heavenly Parent and True Parents. I would like to share an update with you as we welcome Rev. Ken Doo back to America.

Rev. Doo has completed his mission at World Mission Headquarters and is returning to contribute to the work of Cheon Shim Won North America. Please join me in welcoming him warmly. I look forward to working together with him and with all of you as we support True Mother and strengthen our communities.

There is much we can accomplish together when we unite in heart and care for one another. Through our prayer and devotion, let us continue to build a spiritual foundation that brings encouragement to our members and new life to our mission.

True Mother has called each of us to fulfill our responsibility as chosen people. Let us answer that call by making our families and communities places where Heavenly Parent can truly dwell, and where more people feel welcomed into Heavenly Parent's and True Parents' love.

With love and gratitude,

Demian Dunkley
