True Mother's Appeal is Scheduled for Tomorrow

True Mother’s next court appearance is the first hearing of her appeal, set for 2 p.m. on October 13, 2026, at the Seoul High Court; the session will also examine her bail request. She was sentenced to two years in prison on August 31, 2026, in a case involving alleged political influence and gifts, and both she and the prosecution have appealed. She remains under a health-related suspension of detention until October 20. If bail is granted, it would replace that temporary suspension with release pending appeal; if denied, the October 20 deadline would still apply unless extended again.
