Dear Brothers and Sisters,

Wow. Amazing. True Mother totally knocked it out the park on April 6th. Thank you for all your support to bring that victory. I just got back from LA and the church members at City of Refuge are still buzzing like crazy!

Guess what? That's right, True Mother is coming back! This time to [Las Vegas on June 22](#).

Sometimes we beat ourselves up for being poor at follow-up. However, we are approaching it a little differently this time. Not only are we keeping relations warm with our new friends in LA, but we are including them in our next event:

"Pick Up an Instrument, Instead of a Gun" HJ Benefit Concert. That's right, we are going to raise money through an awesome Hyojeong concert to support the great work they are doing in LA at City of Refuge to reduce inner city gang violence. We will raise over \$120k to donate to their [efforts](#).

It is so timely. Many of you may be aware, that the week before the True Mother's Peace Starts with Me rally, a famous rapper, Nipsey Hussle, was shot dead in the streets of that community in South Los Angeles. That brought home the reality of the community, where Peace Starts With Me was not just another slogan, but a genuine call for everyone to truly come together. Bishop Jones' community project "Pick Up an Instrument Instead of a Gun" became real and timely.

We had already been planning this year's Hyojeong Concert for Memorial Day weekend, and we thought to make it a benefit concert to help the City of Refuge realize their vision to build a community center where kids, youth, and adults can find their art and pick up an instrument instead of a gun. This is a cause to get behind, it's a way to put Peace Starts With Me into practice.

We would like to ask everyone to join this cause – visit [hjconcert.com](http://hjconcert.com) today, get your ticket and support the event by donating towards the goal of \$120,000. If you're inspired to join the efforts, you can share this link with your friends, follow us on Facebook and share the message. You can also download the flyer and visit business owners you know to inspire them to support this project as well.

This HJ Benefit Concert is a pivotal moment in preparing for the next Peace Starts With Me rally in Las Vegas and substantiating the Hyojeong culture. Let's come together again and offer our heart of love and loyalty to True Parents.

God Bless you all,

Rev. Demian Dunkley  
President

Dear Brothers and Sisters,

It's official! True Mother is coming back to America and will speak at the Peace Starts With Me in Las Vegas on Saturday, June 22, 2019. After a miraculous victory in Los Angeles and being welcomed so warmly by Bishop Noel Jones and many other Christian ministers, True Mother is excited to come here again and give a resounding message at the MGM Grand in Las Vegas.

True Parents' providence in Las Vegas has deep roots, and with this rally we are taking it to a whole new level, as we proclaim True Mother as God's Only Begotten Daughter. There are several exciting events happening in conjunction with this historical rally.

First and foremost, the Peace Starts With Me main event is on June 22 at 2 p.m., then the following morning, on Sunday, June 23, there will be a special victory celebration with True Mother at IPEC.

Second, ACLC is holding a national convocation, bringing pastors and ministry leaders from across America together on June 21-22. Over 1,000 ministers will meet with True Mother during this convocation.

Third, there will be a 3-day youth workshop on June 21-23. Youth from around the nation are welcome to join this special workshop. They will join the already in session 7-day workshop that is also focused on youth and applied Divine Principle. Registration details coming soon.

And finally, we are happy to announce that Cheongpyeong is returning to America for a special 2-day workshop in Las Vegas. This will take place on Sunday and Monday, June 23-24, starting on Sunday afternoon after the victory celebration. More information and registration will be available online shortly.

We would like to encourage everyone to participate and support these great events. Today, May 13, we begin a 40-day period until June 22. So let's be sure to **pray** together. You are also invited to join the weekly [National Prayer Call](#) on Wednesday evenings.

ONE FAMILY UNDER GOD

Please also consider making a **contribution** in support of this event. We are asking families in Subregion 4 to consider supporting with \$500 or more, as owners and hosts of this event. And we would like to encourage everyone across the nation to join this offering and make a donation to welcome True Mother. You can donate [online here](#). Every offering you make is greatly appreciated.

And of course, please come to Las Vegas! Let's attend True Mother together, celebrate with our brothers and sisters from all denominations and walks of life, and join together to liberate and bless our ancestors.

With every rally, we are making greater strides with Christianity and are closer to restoring America. Let us continue to spread our network of Blessed families and give Heavenly Parent and True Parents the conditions needed to claim the absolute victory.

God Bless you all,
