Dear Brothers and Sisters,

Sadly, our sister, Mrs. Masako Feddema in Oregon, who used to live in our NJ community for so many years, went to the Spirit World this morning at 8:35 Pacific Time/ 11:35 our time.

She was taken to the hospital with a brain hemorrhage late Sunday night, 7/18, in Oregon. Since then she had been in a coma until this morning.

We do not know so many details. Her husband, Pete Feddema, wants to extend his gratitude to our NJ Community for our prayers and thoughts.
Let's continue to pray for Masako-san and her family.

Let us continue to pray for the safety of our sister!
