

## Help Launch IAPP in cooperation with the parliament of Morocco

David Fraser-Harris

August 13, 2018

*Morocco*

This is an opportunity for two to three months' field experience working with Universal Peace Federation (UPF Middle East and key ambassadors for peace in Morocco to lay the groundwork for an inaugural parliamentarians' conference and future ongoing work with UPF.

UPF is looking for someone who understands the heart and vision of our Founders and therefore senses the value of developing a UPF foundation in Morocco. You will be living on your own, or perhaps with local ambassadors for peace.

UPF has the unique opportunity to launch IAPP in cooperation with the parliament of Morocco. The first steps have been taken, click [here](#) to find out more.

Job Title: Liaison

Job Location: Rabat, Morocco

Job Type: Full Time

Job Description:

When: September 2018- November 2018

Where: Rabat Morocco

Requirements: English (native speaker or fluent); French (native speaker or fluent).

Also helpful: Arabic (any level)

Benefits: Round trip Air ticket

Room and Board

\$400 monthly stipend negotiable according to experience

Your role - if you choose to accept it – will be to liaise with one peace ambassador to prepare an event that will meet the needs and expectations of the Moroccan parliament and, by so doing, demonstrate the value of UPF as a peacemaker.

At the same time, you will need to communicate well with UPF Middle East and maintain a difficult but not impossible balance of confidence and humility so as to both think for yourself and take advice when needed.

This same work should provide the basis for the future development of UPF in Morocco and other nations of the region. If successful, there may be an opportunity to extend this arrangement for one year.
