Note: In response to recent events within the Chinese Communist Party, we have changed the speaker and topic for this meeting.

The previously announced meeting with **Lei's Real Talk**, discussing world-wide infiltration activities by the CCP, has been **rescheduled for Sunday, February 22 at 7:00 PM.**

Those who previously registered for the February 6th meeting with Lei's Real Talk are now registered for this meeting. A **new registration for meeting with Lei's Real Talk**, now reschedule for Sunday, February 22 will be sent out during the week beginning February 8th.

HPF apologizes for any inconvenience.

Last Saturday, January 24th, the Chinese Communist Part (CCP) officially announced investigations into General Zhang Youxia (Vice-chair of China’s Central Military Commission - CMC) and Genera Liu Zhenli. This marks the purge of China’s most senior and respected military leadership and completes the evisceration of the CMC.

With this unprecedented turmoil inside China’s ruling elite and intensifying tensions between the Chinese Communist Party (CCP) and the PLA - critical questions are emerging about Beijing’s internal stability and strategic direction. Join us for an in-depth Zoom briefing with China expert Bill Gertz, as he examines the recent purges within the PLA and their far-reaching strategic implications.

Please forward this invitation to others.

Sincerely,
James B. Edgerly
