It is with a heavy heart that we share the unexpected passing of Natalie, a loving mother, daughter, sister, and friend. At just 33, she brought light and kindness to everyone she met. As we hold her two precious children close, we trust that God is surrounding them with comfort, protection, and love.

YeChan Natalie Iseda was born on December 28, 1992, in Los Angeles, California, as the second of three daughters. She was a devoted mother to two beautiful children, a 12-year-old daughter and a 10-year-old son, who were the greatest joys of her life.

Natalie grew up with a bright, quirky spirit and a love for adventure. She was always ready to explore new places, especially if great food was involved. Her loyalty and endless stories made her a cherished friend. As she grew older, she found joy in drawing and painting, creating artwork that reflected her spunky personality and gentle heart.

Natalie had a way of putting others first, always offering warmth, kindness, and a gentle spirit that made people feel cared for. Her smile and her quiet acts of love touched so many. Being a mother was her greatest joy and her children were her heart.

Unexpectedly, Natalie passed away on July 17, 2026. She is survived by her parents, her sisters, and her two children, who will forever carry her memory in their hearts. As we come together to honor Natalie's life, we have created this GoFundMe to help with funeral and memorial expenses. Our goal is to celebrate her memory and honor the life she lived and the impact she had on those who knew her.

Our family is deeply grateful for every prayer, every share, and every act of kindness. Thank you for your generosity and for surrounding our family with so much love. From the bottom of our hearts, thank you for standing with us.
