In Memory of Nandi Bengu

Our dear sister Nomnandi Bengu ascended to the Spirit World on the morning of December 18 at Bellevue Hospital after over 2 years of battling the dreadful auto immune disease, Lupus. Nandi has been deeply engaged in the Harlem Family Church in local as well as providential activities. Nandi loved to sing as her offering to God and True Parents. She was a firecracker in character, fearless in her determinations to get things done, deeply devoted to True Parents, and never failed to call out sloppy standards of conduct in Principle. She leaves behind many wonderful memories of what it means to live a life of profound dedication.
