The **National Ocean Challenge Program 2018** is now open for applications! Come to Kodiak Island, Alaska, known as “the Emerald Isle,” to experience the awesomeness of God’s creation and inherit the tradition our True Parents established.

For 21 days, participants will learn maritime skills and boating safety, hear testimonies and the history of Ocean Providence, go hiking, river and ocean fishing, challenge their mental and physical limits, and deepen their understanding of True Parents’ life.

Participants will take home a box of fresh Alaskan fish, along with memories and experiences with their brothers and sisters.

The 21-day program is for youth and young adults ages 16-25 with no prior maritime or fishing experience needed.

There also will be a separate 40-day Captain-in-Training program for young adults 18+ with some maritime experience and a desire to expand their boating skills.

Registration deadline is May 1st and the full program fee is due by June 1st. Space and scholarships are limited so Sign Up Now at OCEANCHALLENGE.ORG.
