Building Effectiveness in Ministry and Public Leadership

Dear,

If you haven't already, we invite you register to join **TODAY's Faculty Roundtable** event from **5-6 pm EDT**, featuring **Dr. Drissa Kone**, Assistant Professor of Conflict Resolution and Ministry and Director of the UTS Doctor of Ministry program

What is the Faculty Roundtable Series?

The Faculty Roundtable Series is dedicated to presenting current academic research conducted by UTS faculty, alumni, and students. Each event will feature a new speaker and topic and include an opportunity for questions and commentary.

Topic Description

Since the 1990s, Côte d'Ivoire has faced unprecedented crises, expressed through constant, violent protests, military coup, and civil wars, which have created an unsafe environment for peace and social cohesion. Despite the international community's (UN, ECOWAS, AU, EU) efforts over the past 10 years, the country is facing another possible electoral conflict at the end of this month.

This presentation was designed to meet a specific need in the universities of Cote d'Ivoire. It serves as an educational measure by providing students and staff with the knowledge and skills necessary to become effective leaders capable of resolving conflicts in a pluralistic society plagued by recurrent conflict.

We look forward to seeing you there!
