

FFWPU Democratic Republic of Congo 2026 Congo Central Province Assembly

Ken Doo
June 14, 2026

The Family Federation in the Democratic Republic of the Congo held its 2026 Central Congo Province Assembly in Matadi from June 12 to 14.

Building on the direction established at the nationwide assembly in May, the gathering focused on strengthening unity throughout the province and realizing a shared vision centered on True Parents.

Through lectures, reports, and discussions, participants reviewed current activities, discussed future directions, and further strengthened cooperation among local churches.
