

FFWPU Int'l: Democratic Republic of the Congo's 64th Day of All True Things

Ken Doo
June 15, 2026

On June 15, churches across the Democratic Republic of the Congo held worship services commemorating the 64th Day of All True Things.

More than 1,000 members gathered for the commemorative service at the national headquarters in Kinshasa.

In his message, Continental Director Jean-Pierre Kadima emphasized the importance of environmental stewardship.

Members renewed their commitment to practice true stewardship by caring for and treasuring the world Heaven has entrusted to us.
