*"It is through True Parents that the center is determined that will occupy the external world.. Thus, you should first be grateful.. and act by honoring True Parents' commands." CSG p. 341*

The attitude of filial piety true children have to their parents throughout their lives is what qualifies them as true children. "Honor your father and your mother, that your days may be long upon the land which the LORD your God is giving you." (Exodus 20:12)

Where Hyung Jin's Wrong tradition of Dishonoring his Father and Mother Leads?

This commandment is so important. If you build a society where your children honor their parents, the society will long survive. On a contrary, in society where children do not honor their parents is doomed to self-destruction.

### He who curses father or mother

Jesus makes it clear that even when we move out, our responsibility to our parents continues: For Moses said, "Honor your father and your mother"; and, "He who curses father or mother, let him be put to death." But you say, "If a man says to his father or mother, 'Whatever profit you might have received from me is Corban'—" (that is, a gift to God), then you no longer let him do anything for his father or his mother, making the word of God of no effect through your tradition which you have handed down. And many

such things you do. (Mark 7:10–13)

Dear Hyung Jin and Kook Jin, we love you, but you are leaving a wrong tradition; Destroying God's order. Please come to, "Honor your father and your mother, that your days may be long upon the land which the LORD your God is giving you." (Exodus 20:12)

Bible says Hyung Jin is Unbeliever who has Denied the Faith

The Bible includes more about the importance of providing for your family: "Honor widows.. if any widow has children or grandchildren, let them **first learn to show piety at home** and to repay their parents; for this is good and acceptable before God . . . . But if anyone does not provide for his own, and especially for those of his household, he has denied the faith and is worse than an unbeliever. (1 Timothy 5:3–4, 8)

### TP offered their own son, Hyung Jin

In CSG Father compares Hyungjin to Adam and Eve who were lost by God. He mentioned many times that Hyung Jin will be offered and "the resentment of 3 ages" will come upon his family,

*"If.. UC love Heungjin... True Parents... should be honored to **offer their own son**... but now, at least in the spirit world, He can love them." CSG p. 70*
