The False Rule is Over: True Parents are Here

The False Rule is Over

True Parents are in charge of Heaven and Earth. All Kings, Queens, Royals, Govts, Judges, Police & Lawyers MUST STANDOWN WORLDWIDE.

24 Sept. 2022 / CIG Weekly Updates

The birth of a new paradigm is happening right now. Very soon you will see the effect that Space-X and Space Force would have on this Great Awakening. In 2015 six military intelligence agencies started sting operation to end the Satanic Cabal controlling humanity. They are leading the process of information declassification. This is the reason all evils of the elite are now coming out.

"Most of human history was filled with war, revolution, fighting, oppression, domination, conflict and violence." (1) It is time to remove the veil of ignorance and see who was behind this evil. As Mother Moon said, "There is no longer any need for ideologies that oppress humanity. The world today is calling for peace, reconciliation, compassion, love service and sacrifice." (2) Once the source of evil is exposed humanity will move in that direction.

Satanic Elite Governed Humanity

A book from 1989 reveals the plan. Operation Lockstep - From the Rockefeller Playbook:

- 1st Phase:** "Cold/Flue... Media creates mass paranoia and fear. Flawed testing, inflated Covid numbers... Lockdown... bring draconian measures."
- 2nd Phase:** "Compromise the immune system with masks, lack of contact with sunlight... Exposure to 5G radiation. Effects will be blamed on Covid."
- 3rd Phase:** "If people resist the Vaccine, a weaponized SARS/HIV/MERS virus will be released. A lot of people will die from that. The Vaccinated will be at war with the nonvaccinated. It will be anarchy from all sides."

The very same people, with such evil thinking and planning were manufacturing wars, famine, sicknesses, depressions, taxation and more. I include important historic facts down in this report. But what's important to understand is that the elite of this world is governed by Satan. As Father Moon explained, this evil is not in the human nature.

"Human beings are inherently heartistic beings, so they are not meant to be controlled by others. That's because no matter what they do, they always do it from the heart." Sun Myung Moon

As Fulford reported, "we are getting more and more public acknowledgments that what is really going on is a battle against "fallen angels". Our own esoteric sources have told us that we are witnessing the end of a war that has raged for many thousands of years against satanic forces making their final stand on this planet. That's why the land is under quarantine."

"The KM puppeteers do their best to communicate with the fallen angels - the satanic entities," agrees a Mossad source. "CERN now admits they are communicating with 'SUBJECTS' on the other side," confirms author Anthony Patch. [Video]

Key Marker for their Removal

Since everything was done under the name of the Crown Corporation, the Good Alliance gave us one key marker of when this Satanic system will collapse. That' was the announcement of the Queen's death.

On Mon. 19 Sept. Global Elites attending the funeral of Queen Elizabeth were briefed by the Alliance on the upcoming collapse of their governments and banking systems, which would lead to liberation. As my previous two reports clarified, Queen's death signifies the death of the Wester political Military leadership, and it happened just after THE KNIGHTS WERE TAKEN. Below in this report I will clarify some of the role of the Knights of Malta and the Jesuits in last 2 centuries. Facts that are very important for the Unificationists to know, and very connected with Rev. Moon's work. See, The Role of Rev. Moon in Ending Communism

The head of MI6 now notes that the Queen's death comes just days after the murder of his private secretary and just after the Alliance appointed Liz Truss as UK Prime Minister in place of World Economic Forum-appointed Khazarian Mafia puppet Rishi Sunak. And now 30 hotels in London are filled with UN military. Obviously something big is happening.

All European Royal Families have Khazarian origin

The breaking news now is that King Charles was ordered to appear before a Special International Tribunal, convening on Nov. 1, 2022, to investigate his knowledge of and complicity in Crimes against Humanity committed by his parents, Elizabeth and Philip. Crimes that I described in my previous report. Queen's Crimes

The rumor is: There was NEVER a divorce. Now the lizard is gone. When Charly is arrested. His rightful wife becomes the rightful Queen of England.

After the death of Queen Elizabeth II, King Charles immediately went on a meeting with someone called "Her Majesty"! There are rumors that Princess Diana is back. White Hats continuously have repeated that she was saved and placed in a witness protection, just as JFK Jn. and many others.

According to the White Hat Intel: "COVID-19 Is A Live Military Exercise, Pedophiles are the Virus and The US Military is the Vaccine. Being diagnosed with and dying with COVID-19 is a Military Marker for Adrenochrome Usage, the Satanic drug of the Elites. The Queen was recently diagnosed with COVID-19." Connect the dots!

It is not strange that many actors were spotted at the Queen's funeral, playing the roles of relatives or friends of the Queen. And the public appearances of "King Charles III" without any royal regalia.

David Icke's speech from a protest in London on 17 September 2022, [davidicke.com](https://www.davidicke.com),

Massive flood of Declass: The Black Nobility were all Satanic

Eight million children going missing each year. Where do they go? Think Satanic Rituals, think adrenalized blood.

Many would have difficulty to understand why was she charged for crimes against humanity and executed. The Queen was Muster of Ceremonies in their Satanic Rituals. Died 2 years ago. Kept in ice. The Queen that MI6 says that was now killed with energy weapon was just a double. The Royals came under the Cabal since Rothschilds got England under their complete financial control.

The ROYAL FAMILY are friends with a lot of PEDOPHILES. The most notorious are Jeffrey Epstein and Jimmy Savile. Prince Andrew and Prince Charles visited Jeffrey Epstein's Island and used his services for a long time. Jimmy Savile got away with abusing 500 children and having intercourse with DEAD BODIES. No wonder the Royals still his best friends.

Queen's death is liberation day from the Crown Corporation. So, are the members of the parliament actually acknowledging King Charles, who was beheaded in 1649? King Charles was executed after which England briefly became a Republic.

Behind the scenes of Queen Elizabeth's funeral events: "The US Space Force Military Intelligence Agency and the Alliance have seized military power from the Deep State (all Satellites, Communication Grids, Banking Servers, Data and financial transactions)."

Money to the Banks Stopped / Blackrock to be Bankrupt

We are witnessing the War and Transition from New World Order (Great Reset) to New Global Alliance (GESARA NESARA), the White Hats say.

Tues. 13 Sept. was the last time the Federal Reserve delivered fiat US Dollars to the Banks. On Wed. 14 Sept. midnight all Banks reorganized to the new gold/asset-backed system. The merge to the New Quantum System will end in October. Some White Hats expect that during the transition Banks may end without money or access to digital transactions can be blocked for a period. That could cause big riots. But the Global Repository is trying to prevent that, saying, they are duplicating the Banking System.

"Last weekend the Australian Bank declared bankruptcy and was closing, while the New Zealand Bank closed for seven days." **Charlie Ward**

Kimberly Goguen's reports: While the left alive Black Sun generals together with the Blackrock and the Federal Reserve are trying to create an Apocalypse and transit to a Digital Currency, to escape their problems, Global Repository Enforcement is chasing after their operatives to prevent their evil doings and eliminates their dangerous equipment. A week ago, 12 of these Generals were still alive. Now they are only 9. It became obvious that those who follow their orders disappear. In fear for his life even Xi Jinping had to hide, that led to the rumor that he is arrested.

In the next 2 weeks **Blackrock and Vanguard** will either have to agree to be bought out by the Global Repository or they will be bankrupt, and they will buy them for pennies. Either way they will come under the control of the Global Repository.

The world was ruled by four corporations: Black Rock, State Street Corp., Vanguard and FMR, owned by several families including the Rockefellers, Rothschilds, Onassis, Kennedys, McDonalds, Disney, Bundy, Bush and Collins. These companies have made a fortune in human trafficking, weapons, drugs, prostitution, global terrorism and operations under a false flag. They sit on the boards of governors of the International Monetary Fund, all Central Banks, The World Bank and the Federal Reserve System. They also own oil, food, pharmaceutical, chemical and technology giants.

History of Fiat Control

The Federal Reserve and IRS were private corporations based in Puerto Rico. The banking system as we know it has completely destroyed lives. Once Fed was established so many bad people got very rich, using that for power and control.

In the late 1700s a group in Eastern Europe (Illuminati Families, Rothschilds), known as the Cabal, began taking control of the Global Monetary System using fiat or paper currency.

In reality the US privately-owned Federal Reserve (by Rothschilds, Rockefellers) started around 450 years ago with creation of a Vatican Trust Account attached to the generational wealth of several nations.

The Cabal-owned Bank of International Settlements in Basel Switzerland controlled through the Crown City of London and Vatican Bank, all Central Banks of what was known as the G7 nations.

Russia wants the Termination of the Federal Reserve

Russia's official news agency TASS also announced that Russia and China are joining the UK in rejecting the fake Covid pandemic. 200-meter building of China Telecom was on fire today in the city of Changsha. (V1) This way the Chinese have signaled to the world that they know they are under 5G electromagnetic attack and are responding by destroying the infrastructure involved.

In UK one in 480 vaccinated people died within a month.
The lowest mortality rates are among those who are not vaccinated.
This Vaccine killed more American people in a year than the entire Vietnam war

The Russians want "the termination of the Federal Reserve Board and the current financial system, as well as the formation of a new multipolar world order with equality for all countries." According to a statement by the Chinese Foreign Ministry, "China is ready to work together with Russia to ... promote the development of the international order in a more just and reasonable direction." And Putin announced: "Attempts to create a unipolar world have recently taken an absolutely ugly form and are absolutely unacceptable for the vast number of countries on the planet."

"Major bankers who did not comply with the UA Dollar transition to the Gold Standard have been arrested with their assets seized. Reports that many top big CEOs and VPs are being arrested... No employees in the Government buildings in DC." [Situation Update](#)

Pope Francis. The fake pope flew last week to the Congress of Leaders of World and Traditional Religions in Kazakhstan's capital Astana (ie, Satan) and requested meetings with Chinese President Xi Jinping and Archbishop Kirill, head of the Russian Orthodox Church. His request was denied.

Sanctions for Profit on the Black Market

The Guardians: Kimberly explained how sanctions on countries are used by the Cabal to make huge profits on the Black Market. Goods are obtained on very low price and sold on very high price. There are countries sanctioned so long ago that we already forgot they are sanctioned. It's all from greed and for profit, she said, "and let us not forget these are Black Sun fractions in both countries."

This all has to end, she said, that's why they have removed their 'Aladin' system for backdoor trading. Their **Treasury Terminals are all disconnected**, she said. Yet the Black Sun generals were still waiting for money, that would never come. Those Generals have to go.

In her words, **the eclectic cars** are just another scheme of the Cabal. And I previously reported how much more wonderful technologies we have. See, [HOOVER DAM RELATED TO TESLA'S LABORATORY](#)

The Jesuit Order Behind Illuminati, Communism and The World Wars

The history and activities of these Satanic worshiping forces and the plan given to them by Lucifer to subjugate humanity.

President Lincoln would not participate in the Rothschilds banking system. — he received help from the tsar of the Romanovs Nicholas II. He promised President Lincoln his help if it was needed. He did that to President Lincoln twice — the Rothschilds were furious and determined to exterminate the Romanovs. — in the history books is written that it happened by the Bolsheviks. — it does not include that it was commissioned by the Jesuit Vatican and the Rothschilds. — better known as the Kazarian mafia. — 2 Romanovs escape. — that were Melanie's grandma and mother. — so Melanie also has thousands of reasons to destroy the Kazarian mafia — revenge for her family the Romanovs.

Great documentary about the Jesuit Order & American history. The first group the Jesuits used was called Illuminati. To do their dirty work and manipulation the Jesuits created the Illuminati in 1776, just 3 years after they were disbanded. The Jewish Rothschilds became the Bankers for the Jesuit Order. That was an important alliance between the Jesuits and the high-level Masonic Jews. The man in control of the Free Masonry was the Jesuit Superior General (the Balack Pope).

If you study all the different organizations controlling the earth, like Knights of Malta, the Bilderbergers, the Club of Rome, the Council on Foreign Relations... you find that they are just a buffer behind which the Jesuit Order operates. [\(Video\)](#)

With the Illuminati and the Higher Order of Masonry the Jesuits fomented the destruction of the very Monarchs who opposed them, beginning with the French Revolution and later with Napoleon Bonapart.

Thus, they punished the European Monarchs, took back the Vatican Empire from the Pope, and tore away the

colonies of the Protestant England. They were doing several things at the same time... could take 10-50 lines at the same time and coordinate them all together.

When Napoleon was not needed, he betrayed his soldiers, frizzed to death in Russia. And Napoleon was kept on island, with 2 million pension, just in case they need him again. In 1814 Pope restored the Jesuits, 41 years after their suppression. By that time they were everywhere in their many disguises, dressed as painters, publishers, writers and schoolmasters... They prefer a secret war. Infiltration, rather than invasion. They used once more Napoleon, to lose the war on purpose. That gave them the chance to buy England for pennies.

Whatever does not unite with them has to be annihilated. Two American presidents, critical for the birth of the US, that opposed the Jesuits were made to die on the same day; John Adams and Tomas Jeferson. Six years later James Monroe died on the same date, 4 of July. John Washington's sudden death was also very suspicious. They used Anthrax for he was keeping America away from foreign influence and crashing the Whiskey Rebellion organized by the Jesuits through the Democratic Clubs linked to French revolutionists.

Few more presidents were also killed by the Jesuits; Harrison, because at his inauguration he denied the divine power of Kings and stressed the equal rights of the people. Taylor was poisoned with cherries. Next was Lincoln.

Lincoln's Attempt to Prevent the Banking Enslavement

Alexander III helped Lincoln 150 years ago as Russian fleet assisted in the Civil War. The Jesuits however had few main objectives with that war. (1) Punish the Southern Protestant states. (2) Create hatred between the states. (3) Prolong the war to bring the country in total debt and bring it under their Banking control. That's why Lincoln remarked that he would not free the black man by enslaving the white man to the bankers. He issued a new government currency, the [greenback](#). This was a direct threat to the wealth and power of the central bankers. He was assassinated. (1)

Following Lincoln's assassination, the Greenbacks were pulled from circulation and the American people forced to go back the bank notes borrowed at interest from the private bankers. In 1865, after killing Lincoln, Pres. Johnson (known member of the Order of the Black Sun) signed a secret agreement by which America became ruled and owned by the Crown Corporation.

Tsar Alexander II of Russia, who assisted Lincoln, was assassinated in 1881. Since Russia was committed to defending against the global rule of the Crown Corporation, Rothschild gave the plan to Lenin to install the Black Sun rule in Russia. [Video](#)

The Rothschild KM pre-staged and engineered the Russian Revolution by using its central banks to pay for the Bolshevik infiltration of Russia and their Revolution on behalf of the Khazarian Mafia (KM).

In 1913, the Rothschild KM was able to establish a beachhead by bribing crooked, treasonous members of Congress to pass the illegal, Unconstitutional Federal Reserve Act on Christmas Eve without a required quorum. The Act was then signed by a crooked, bought off President, who was a traitor to America, like the members of Congress who voted for it. [Read more](#)

"Without the Federal Reserve there would not be WWI, WWII... and the War on Iraq."

The World Wars were planned by the Jesuits to punish the European countries for expelling the Jesuits. Every country in Europe expelled them except for Belgium. Hitler was used in the same pattern as Napoleon. Once the purpose was fulfilled, Germany was to be destroyed. At the same time the Communism and Israel were established. Marxism was based on the Jesuit slave plantations model. Communism was a child of the Jesuits but was made to look Jewish. Jesuits were the musters of Communism.

"Communism, which has trampled upon humankind mercilessly while insisting on violent revolution and class struggle, is uttering its last words." [Hak Ja Han Moon](#)

As previously was explained the Jesuit Black Sun Order and the fake-jew Banking Khazar Mafia were the two hands of the invisible controllers directed by Lucifer (purified lineages to have nothing human in them). Their commands were distributed through the Covens - Satanic Priests giving the orders to the 2 fractions in the front system of control. (See [Charts](#))

"Royals and Masonry got invaded more than 200 years ago by a Satanic Lucifer worshipping cult - [Video](#): "Many good rulers of the past were trying to prevent this Cabal from infiltrating their own ranks. Duke of Bronzuik in the 1700s was warning all the pre-Masonic lodges that they have been infiltrated by a Dark Sun Cult. In his words, they are well versed in Black Majic, Hypnotism and Electro-magnetism. We need to disband all the Free masonry to quarantine the situation. That's how bad it is. Many other leaders were also warning each other in their letters about this situation." Are we witnessing a global stand to expose and remove these Satanic infiltrators?" - Lucifer stepped down in 1999. God told him to dismantle his satanic network on earth before asking forgiveness. His minions on earth stopped receiving guidance. Project Looking Glass stopped working.
- By March 2007 the Black Nobility of the ruling Bloodlines were cut off by the Global Repository. Meaning no access to the big money to finance their projects. Thus the financial crises began.
- In 2012 the Solomon contract to rule over the world expired. Federal Reserve was over and gradually most of these elite bloodlines (Cain blood, with no empathy) are being removed from the face of the earth.
- In 2018 the contract of the Jesuits (The Order of the Black Sun) also expired. They threatened to release a deadly virus if not given the control over the Back System by 2019. Thus, they extended it for 3 years with the False Pandemic till 2021.
- On 7 January, 2022 all registrations were canceled. No more FED, Governments, Royals. If they continue to attack humanity, God will retaliate immediately. This is the Age of God's Direct Dominion. [Read more](#)
- As of 21, 2022 of May IRS - the private tax collecting agency accounts were removed by the Global Repository. Their activity worldwide is illegal. Their back up servers soon to be removed and it will be over
