We are an international and interreligious network of individuals and organizations, including representatives from religion, government, civil society and the private sector dedicated to achieving world peace. UPF supports the work of the United Nations, particularly in the areas of interfaith peacebuilding, peace education, and the strengthening of marriage and family.

Universal Peace Federation is an NGO in General Consultative Status with the Economic and Social Council of the United Nations. We support and promote the work of the United Nations and the achievement of the Sustainable Development Goals.
