### Religious Freedom – The Human Right under Attack

Conference and Webinar on the occasion of Human Rights Day 2022.

**Click on the image for the invitation and program.**

On the occasion of Human Rights Day 2022, the Universal Peace Federation (UPF) and the International Center for Law and Religion Studies (ICLRS), along with co-sponsors, will organize an international symposium in Bratislava, Slovakia. The event will take place on Friday December 9, 2022, in person in the Devín Hotel or online. The overall theme is, "Religious Freedom – The Human Right under Attack".
