WFWP President Katerina Minolari had an honor to participate in official iftars (Ramadan dinners) organized on two separate days, on the invitation by Mrs. Fatma Karaj, Chairwoman of Muslim Women Group within the Muslim Community of Albania.

The first event happened on the first night of Ramadan, in the MAC Albania hotel. Among the guests present was the President of the Republic of Albania, HE Bajram Begaj, who delivered greetings.

The second iftar was organized and hosted by the Prime Minister of Albania, Edi Rama, and was widely reflected in the media.

Both events were occasions for networking and raising our visibility.
