The Sunghwa ceremony and Wonjeon ceremony were held on 4. 18 HC (June 7, 2012) in Korea for the chairman Seung Ryong Moon who had ascended on 4. 15 HC (June 4, 2012.)

He was born on April 3, 1921 and was always together with Father during his childhood. He was blessed as one of the 36 Couples, and served consecutively as the factory chief of the Unification Industry, the president of Korean Titanium, vice-chairman of the Foundation, and so on. In 1996, he was assigned as the National Messiah for Burundi, and recently he was settled in Geomundo following Father's direction.

His daughter Rev. Seon Hee Moon from Geomundo (in the white robe on the photo at Wonjeon ceremony) said that day, "I am truly thankful for my father who absolutely followed True Father's direction that three generations of a Moon family must live in Geomundo. Our family promises with you here that we will inherit the tradition of the faith that my father showed us," and expressed her gratitude to the Korean headquarters, which prepared the ceremony for her family.

The Wonjeon Sunghwa Ceremony was held for Mr. Seung Ryong Moon. He is True Father's cousin, who stood by Father's side his entire life. He took on the difficult tasks. When Father has lonely, he served as his friend. We reverently offer our prayers for the Seunghwa of the precious and noble President Moon. Aju Aju Aju

Do you know what I wrote in my calligraphy (for Mr. Seung Ryong Moon, Father's cousin who had ascended on 4.15 HC / June 4, 2012 at the age of 92)? Congratulations on the Sunghwa and entry [into the heavenly nation] of the younger brother of heavenly heart, Chairman Seung Ryong Moon" (The younger brother of heavenly heart)! (Father hit the table with his hand) He was my last younger brother. His name was originally: Seung Gyoon and became: Seung Ryong. I didn't give him that name. What did I write for Do Soon Im (who had ascended on May 8, 2012)? There hasn't been a member of the royal family and so I was obliged to write: "the younger brother of heavenly heart," this time. Did I write his name or not? ('Yes, Father') What did I write? (Chairman Seung Ryong Moon) My father's name is: Kyung Yoo and his father is: Kyung Cheon.
