

John and Hellen Abelseth's Matching Preparation Seminar in San Antonio, Texas

March 16, 2018

A group of members from the San Antonio community joined a local Matching Preparation Seminar presented by BFM Representative John Abelseth.

The organizer of the seminar, Anne-Marie Morgan, reflected:

"We are very grateful to John and Helen Abelseth who came to our remote area of central Texas for a Matching Preparation Seminar. It allowed members who would not have been able to drive to the upcoming Dallas seminar to come and participate. We heard very practical ways to improve our relationships with our spouse and with our children. We were moved and encouraged in listening to the story of how John and Helen helped their own children through the [matching process](#)."

In an intimate setting of six participants, each individual had ample opportunity to ask questions and discuss with John.
