THE VOICE OF THE VOICELESS
Responsibility of the media to defend religious freedom
Tuesday, December 27, 2022: 2 PM EST

Dr. Frank Kaufmann
President, Twelve Gates Foundation, New York

Ms. Susanna Kaneer
Public Affairs Director, Church of Scientology, Western U.S. Region

Mr. Luke Higuchi
Southeast Regional Pastor, Family Federation for World Peace and Civilization

Mr. Ray Lipowcan

Mass communication media is given two great responsibilities. They are (1) to relentlessly fight for freedom of the press in places where it does not exist and (2) to demand the strictly ethical exercise of that freedom by their colleagues in places where it does exist. The International Media Association for Peace, as an open forum in which journalists and scholars can discuss issues freely, promotes the defense of human rights, of which the most foundational is freedom of religion. We invite you to join Dr. Frank Kaufmann on "Religious Illiteracy and Religious Freedom," Ms. Susanna Kaneer on "The Universal Declaration of Human Rights and a Church's Campaign for its Application" and Mr. Luke Higuchi on "The Current Religious Freedom Crisis in Japan."

Sponsored by the International Media Association for Peace of Universal Peace Federation
