At the end of workshop all the participants pledge with a strong determination to work harder to inspire more young people to attend the matching and blessing program this year.

On March 22, 2017, IAYSP together with CARP hosted another one-day Divine Principle workshop with 18 participants. After the workshop the Participants agree to attend the 7-day workshop to be hosted soon for matching candidates.

Members of IAYSP Liberia had first peace cleaning campaign within the different locals of our communities and the church edifice. the purpose of the cleaning was to sensitize communities' dwellers about the importance of peace and also experience living for the sake of others. We asked the youth to forgive their enemies and always show true love, and be a helping hand to those that are in need.
