

Third Annual National Ocean Challenge Program in Kodiak, Alaska in July, 2011

Greg Odlin
May 25, 2011

**We are pleased to announce the third annual
National Ocean Challenge Program in Kodiak, Alaska for 2011!**

The goal of the National Ocean Challenge Program is to allow youth to have life changing experiences in the Alaskan Wilderness. With a packed schedule beginning with Ocean Providence-related Hoon Dok Hae, participants have the opportunity to become closer to God and True Parents through the ocean.

The first few days will be dedicated to safety: participants will attend a Coast Guard boating safety certification class as well as a Red Cross first aid and CPR certification class. Furthermore, boat maintenance, general seamanship, fishing techniques, and fish processing will be taught. There will be many hours spent fishing in the bountiful Kodiak Ocean. Other activities may include river fishing, service projects, bonfires, wildlife viewing, hiking, sports, etc.

There are two programs available: 1) 21-day Senior Program which is for BCs 16 and up and 2) 14-day Junior Program intended for BCs aged 13-15.

* Senior Program

Date: July 17-August 6, 2011

Fee: \$1200*

* Junior Program

Date: August 7-August 20, 2011

Fee: \$900*

*This workshop fee does not cover Alaskan fishing licenses, airfare, fish boxes for bringing fish home, or fees for early arrival/late departure.

Please visit the www.iloveocean.org/ for more info.

Senior Program July 17- Aug. 6
Junior Program Aug. 7- Aug. 20
