One young couple, Claude and Stella, received the Marriage Blessing at the nation's capital, with 40 guests in attendance.

Stella is originally from Kenya, and her mother originally heard about True Parents and the Blessing through Claude's mother, Wanji. "God helped orchestrate in bringing this couple together to receive the Blessing," shared Pastor Zagery Oliver.

The DC Family Church and young volunteers, prepared a beautiful pre-program, complete with flowers and ring bearers. Both bride and groom said that it was a very beautiful and heart-warming ceremony.
