Domestic violence victims

KY nonprofit Greenhouse 17's mission to curb homicides in the home

Wednesday, May 17, 2023 @ 2-3 PM EDT

Domestic violence homicides see sharp increase in Lexington, KY

Family violence accounts for one-third of Lexington's homicides this year. The directors of Lexington's domestic violence prevention program, Greenhouse 17 and the Fayette County Sheriff's Office have tips for helping protect and identify victims of domestic violence.

Special Guests:

Darlene Thomas and Diane Fleet

Directors, Greenhouse 17 Domestic Violence Program
Lexington, KY

Hosted by:

Rev. Zagery Oliver

Executive Vice President
Universal Peace Federation USA
