Wednesday, June 11, 2025 from 2 to 3pm EDT

With Special Guest:
Cleous "GloWry" Young
Founder, TEB-IT Foundation; critically acclaimed author of "The Airport Adventure."

Cleous "GloWry" Young is a brilliant force in the world of literature, theater, and social activism. A person who has gone through the parallel force of living through the negative experiences (lived experience) of his life and then now offering these viable experiences through innovative teachings via the aviation context. Born on the vibrant island of St. Thomas, Jamaica, Young has transformed his childhood positive doings into a transfiguration mission of global impact. As a poet, writer, author, playwright, director, speaker, instructor, life coach, former teacher, former behavioral therapist, social activist, filmmaker, and visionary, Young has dedicated over two decades searching for a more meaningful life than his childhood's dream of becoming the next Pele'... He may not be a Pele' on the soccer field, but he is the Pele' of enriching communities and advocating social justice on a global level.
