

# True Family Values Ministry

*Empowering the Family's Moral Leadership of Society*

November 23, 2009

Dear Friend in Faith,

We pray that you, your family and your ministry are all well. We are honored to invite you to join us for the historic 14th Annual True Family Values Ministry Awards Banquet at the Hilton Chicago on Saturday, December 19, 2009. For over a decade, The True Family Values Ministry has sponsored this important event to honor individuals and families for their exemplary faith and service for the betterment of society, as a testimony to God's ideal of "living for the sake of others."

This year's theme, "*Honoring God's Pivotal Champions of Faith*", offers a special tribute to our senior Chicago patriarchs and matriarchs whose lives have helped to change this city, America and the world. We will also extend a special tribute to Rev. Dr. and Mrs. Sun Myung Moon, who inspiration guided the founding of the True Family Values Ministry, for their lifelong work to realize God's ideal family as the true model for world peace.
