

Family Church of Connecticut: Pastors Note - Pamela Sallah's Seonghwa Photos

Dear,

Happy Thursday,

I hope you are all enjoying the warmer weather and had a beautiful Mother's Day!

I wanted to take a moment to encourage everyone, as the days grow warmer, to spend time outside in God's beautiful creation and appreciate all the beauty He has given us. At the same time, let us also recognize the beauty of having a community around us to support one another in our ever-deepening journey of faith.

I look forward to seeing you all this coming Sunday at 11:00 AM with pep in our steps and smiles on our faces!

Graduation Season is Coming!

We will be hosting a graduation celebration in June and would love to honor those

graduating from middle school, high school, and college. Please let me know if you have a child who is graduating so we can celebrate them together.

Update on Somi Jin

Somi is slowly getting better every day. She is now self-functioning, sleeping, and breathing on her own.

The biggest concern still remains how much her brain will recover. I was able to visit recently, and the family is in much brighter spirits. Somi is also about to be moved out of the ICU, which means she has become stable.

Please continue to keep Somi and her parents in your prayers—that there will not be significant lasting damage and that she will continue to recover and come back even stronger.

We will continue praying each evening at 7:00 PM if you are able to join.

Thank you all for your continued love, support, and prayers.

I look forward to seeing you this Sunday!

Warmly,
Dentew
