

Los Angeles, CA Family Church Invitation to Join the 2022 New Life Campaign

Mark Tengan
March 23, 2022

Dear Brothers and Sisters,

Thank you for your efforts and investment in the American providence!

As you may have heard on Morning Devotion, Dr. Yong has encouraged all leaders and members to focus on breaking through with our witnessing efforts, so we can actively grow in membership, with a focus on single Blessing candidates.

On the March 22 TribeNet call, in response to Dr. Yong, we have launched the "2022 New Life Campaign - Reconnecting Hearts to God," where leaders and members are invited to pledge their commitment to bring 3 new members to their local community by the Anniversary of True Father's Seunghwa this August.

Dr. Yong will receive this list daily and will pray for each person who has committed and for their potential new members if those are already included in the form.

Please use this form to register your commitment to join this endeavor:

Ways to witness: All members are encouraged to continue the Heavenly Tribal Messiahship endeavor which is our life-long witness journey. Witnessing new members can be by teaching Divine Principle to your existing and new guest at home or online, or at church center when we set up future workshops.

About Campus Witnessing: Campus Witness is organized by the team. Please do not go randomly to a campus and start witnessing on your own. There were past cases that a negative reaction influenced multi colleges to shut out our witnesses from their campuses. It could be avoided if witnessing was together with the team.

If you are interested in joining the team of the Campus Witness, please contact first the team organizers: Maiko Shimogawara at my.smhr@gmail.com, Katsuko Pierce at skjpierce@gmail.com. There will be an orientation for those who contacted.

If you have any question, please feel free to email our office at familychurchla@gmail.com.

Thank you,

Rev. Mark Tengan, Senior Pastor, L.A. Family Church

2022 New Life Campaign - "Reconnecting Hearts to God"

The 2022 New Life Campaign is an important initiative for 120 members in North America to bring 3 new members to join your local church community by August 14, 2022 (10th Anniversary of True Father's Seonghwa).

"Wherever you work and wherever you go, there will always be righteous people for whom Heaven has labored, and that Heaven has prepared for this one day. Be confident when you explain who you are. Do you understand? Due to your unity with True Parents, people will be drawn to you as if you are magnets. I bless all of you to become those who step forward courageously and confidently."

True Mother, February 6, 2022

New membership is confirmed by having spiritual children complete the "Family Federation Membership Commitment Form". <https://bit.ly/36EkFG3>
