Hello Everyone,

**On Nov. 26 @ 7:00pm EDT (4:00 pm Pacific Time),** we have a special opportunity to **join the International S!nergy competition 2022 as a live audience.** Every year, there have been competitors addressing issues in the world, and presenting ideas to tackle it.

This year's theme is centered on "Peace," in support of the peaceful Reunification of North and South Korea.

**Kengo Kawa from CARP Los Angeles** will be representing North America and will present live in Korea! His presentation is on "**establishing a UN Park on the DMZ,**" and this will be a great opportunity for us to show our support in unison.

We are searching for two-way participation of about 50 youth (high school age and up) or more on Saturday, Nov. 26, 7:00 pm EST/ 4:00 pm PST.
