#### **Message from Rev. Kevin Thompson, Western Subregion 5 Director and Senior Pastor of L.A. Family Church**

Dear Brothers and Sisters,  
I hope the new year is off to a good start for you and your family. January is marching ahead and the Providence is marching with it. This month we will have the lunar new year on January 22nd and then True Parents' Birthday on January 27th. True Mother is laser-focused on May 5th and the opening of the

Cheon Won Gung, which will be a very historic day indeed.

In our local LAFC (Los Angeles Family Church) there are many activities taking place. Please look at the announcements and see where you might be able to join in and contribute, learn and grow. Last week I was able to attend the Sunday Bruncheon and saw firsthand what is taking place once a month. I encourage more people to participate. Especially if you are not usually visiting other churches please come and support the Young Adults who are putting on the Bruncheon.

On a national stage, Luke Higuchi has been appointed as the new head of Kodan and we pray for him and his family as he takes on this new mission.

God bless you. Be healthy.
