Friday Night Prayer Vigil at Belvedere (Starting Sept. 19th)

Dear Belvedere Family Church,

My name is Mika Uokawa from Queens, NY, and I would like to share an announcement to the Belvedere Community. Starting this Friday, September 19th, we will have an organized Friday Night Prayer Vigil at Cheon Shim Won Belvedere hosted every Friday from 10:00 PM - 1:00 AM.

The Night Vigil will be our own unique program led by myself, Fumie Kargbo, and Reina Sato, who are recent 40-Day Spiritual Workshop graduates. We would like as many members to come join us in this devotion.

When True Mother came to America to establish the Cheon Shim Won in Las Vegas, she said that the training center will be on the West Coast and then the East Coast. True Mother established the Cheon Shim Won in Las Vegas as her final gift to America because she trusts us to offer our own sincere devotion and seek the guidance of our True Father, who is directing the spirit world.

The Belvedere property holds many precious memories of our True Parents and the roots of Heavenly Parent's providence in America. At the same time, we recognize that there has also been pain and resentment. From this past Great Works at the CheonBo Training Center in Korea, Rev. Kikuchi, our Northeast Cheon Shim Won director, was able to liberate the spirits of Belvedere and East Garden. He shared that this liberation carries great meaning.

As we come together to pray, our devotion will gradually rise up and become a lighthouse to guide our distant brothers and sisters back home. Together, let us offer our prayers to become one with Holy Mother Han and bring comfort to our Heavenly Parent and True Parents.
