

Las Vegas Family Church Young Adult Ministry (LV YAM) Semester Kickoff

J. Yanai

September 27, 2017

If you are a member of the Las Vegas Family Church, a young adult (age 18 or older) and want to know what the plan is for your Las Vegas Young Adult Ministry then you should definitely attend this event!

What: Las Vegas Young Adult Ministry (LV YAM) Kickoff Gathering

Where: CHG - 7966 Haven St, Las Vegas, NV

When: Saturday, September 30th from 5:00pm to 9:00pm (could end earlier)

Cost: I will be making my famous chili & gohan! If possible, please bring donation to help me cover the cost of food & drink. However, don't let a lack of donation prevent you from attending.

Background: During the last weekend in August, some of us (Nica, Kinesha and myself) attended a national youth and young adult ministry leadership retreat in New York. It was a gathering for all youth and young adult pastors/leaders in our USA family federation to come together for 3 days of discussion, collaboration and planning. During this time we heard from many other, more established, young adult ministries and took many notes about what has been working for the young adults in their communities. Based on these working YAM models, we incorporated what we already have going on in Las Vegas, and created a plan that is tailored specifically to our young adult community!!! We want to create the best environment to connect with each other, feel inspired and empowered, contribute to the whole and ultimately expand our hearts and our ability to love :D

Purpose: The main purpose of Saturday's gathering is to present this plan to our young adult community and kickoff our LV YAM! In addition, part of the plan for our LV YAM will be to form trinities at the beginning of each semester. These trinities will gather once per week (day & time to be agreed upon by the members of each trinity) for study, discussion and prayer. Trinities will also work together with other trinities to plan and host one or two events throughout the semester. All of this will be explained again, and in more detail, on Saturday.

What you need to do now: We will be forming these trinities this Saturday! So, if you are absolutely unable to attend on Saturday, but still want to be placed into a trinity, please let me know before Saturday. Also, if there is a particular person(s) you want to be in a trinity with, please send me a private message or email with that information. Mark attending on this event or email to let me know you're coming!!!!!!
