The Washington, D.C. Family Church celebrated the 28th Chil Il Jeol and the 22nd Chil Pal Jeol on Sunday, August 12.

The ceremony began with the singing of holy songs in front of a beautiful offering table set up by a few devotional Japanese sisters.

After reciting the eight Family Pledges, Dr. Achille Acolatse delivered a beautiful closing prayer followed by the cutting of the cake and a Hoon Dok Hae reading explaining the significance of the two Holy Days.

The service concluded with congregational songs, a presentation of a poem by Yosei Arakawa entitled “Cheon Il Guk,” and a message by Nelson Ngoma who was born on Chil Pal Jeol in 2008.

A few parents and children went fishing afterwards to continue the Holy Day celebrations.
