#### You Are Invited

Dear Brothers and Sisters,

Each one of us is a unique expression of God, and that is why we all have something special to offer. Those who have walked the rugged path of restoration with True Parents - even for a short distance - are *unforgettable people*.

We would like to invite all family members to join together in giving thanks for our blessings. November 20<sup>th</sup> is the day to share our hearts with one another and rejoice. It is also a day to meet True Father again, in heart.

Please come to the Washington Times Building, Sunday November 20 at 5pm, for a Family Fest with delicious food and drink. (Free parking!) Visit the various booths around the building highlighting the enormous efforts of True Parents to bring peace on earth. They sacrificed everything to allow us to grow towards God, our Heavenly Parent, and find His embrace.

Dr. Chung Sik Yong will share his insights into being family. Sunday school will be in action with games and fun for every age. Everyone is family, no matter how humble or great; we all can receive **God's healing love**.

We need you to make this gathering the start of something fresh and new. Please attend and greet old and new members in heart. New guests are always welcome.

A timely RSVP would allow us to plan well for the food and fun, thank you.
