Dear Pastors and Community leaders,

The American Clergy Leadership Conference (ACLC) will be hosting a special Forum and Revival on **“God’s Hope for the Family”** on **November 19th** **At the lovely Frist Baptist Church of Highland Park in Landover, MD.** There will be two sessions: 2-4 pm a Pastor’s Forum and 4-5:30pm a revival hosted by the Young Christian Leadership Conference (YCLC) along with praise teams from several local ministries.

The American Clergy Leadership Conference is a supportive network of faith leaders working together beyond race and denomination. Along with The Universal Peace Federation (UPF) we aim to strengthen marriages and families, restore communities, and renew the nation and the world. ACLC clergy and UPF Ambassadors for Peace believe in sharing a vision of America as a beacon for the world to demonstrate how people can create God-centered families and live in harmony as one family under God.

The program will highlight the *Marriage Blessing Movement* and the strengthening of families through the teaching and sharing of *True Family Values*, the vision of the late Rev. Sun Myung Moon and Dr. Hak Ja Han Moon, his wife, co-founders of ACLC and many other peace-building organizations.

Our studies and experiences together will enhance and enrich our lives as pastor couples and will elevate preaching, family counseling, and Kingdom-building efforts. In Jesus' own Words; "Haven't you read?" he replied, "That at the beginning, the Creator made them 'male and female...' For this reason, a man will leave his father and mother and be united to his wife, and the two will become one flesh'. So, they are no longer two, but one flesh. Therefore, what God has joined together, let no one separate." Matthew 19:4-6

At this time in America, God needs righteous families, centered on American clergy, to stand strong for healthy and productive family values that can raise up the next generation. We look forward to experiencing this Family Forum with clergy and civic leaders from the DMV area and young Christian leaders.

The setting will be conference style. And all participants are being required to wear masks for protection. We will provide simple refreshments and a dinner meal to go. Also, there is plenty of free parking.

We would love to have you and the members of your church family, and staff attend this great program.
