We are invited to join a live audience as 2-way interactive participants. If you are interested in joining as a live audience, please register here: forms.gle/qLZeaB6T78bY17dZ7

Dear Brothers & Sisters,

Most of you know me through Sunday Service. Did you know I have lived and worked with our Church community here in the DC Metro area for 48 years? I have seen the evolution of our History here. The Washington DC area has been pivotal in Providence and continues to be.

My reality is age. My heart and mind are the same but my body... well you know. Serving is a state of mind and a state of being. Heaven really is, "Living for the sake of others". This has been my 'calling' and I want to bequeath it to you.

If you want to build your 'Foundation of Faith', this can be a path for you. You get to learn how to see and act to serve others in any situation. How often have you expressed gratitude to someone who is serving you? Dr. Yong began to highlight this kind of thinking when he asked us to find 10 points of gratitude each morning at Hoon Dok Hae.

There are many opportunities to be helpful to one of our activities. I am looking for those who want to make serving a part of their Faith Building. The most consistent opportunity is in our Sunday Service and the First Impressions Ministry as a part of Greeting and Ushering. Are you one of those who want to be on the Front Line of Cheon Il Guk? Once a week you can be the smiling face that greets everyone from our community. Making new guests and friends feel they have arrived at a place of True Love is truly serving God. Did you ever think it could be so easy?

If you feel called or are just wanting to know more, please get back to me! 2023 is just around the corner and you can begin a new year with a re-newed commitment to God.

We will be setting up volunteers based on the community system in the new year and I will be at the Sunday Service in Virginia this week and at the Christmas party next Saturday, Dec 24th at the Washington Times. Also, you can phone or email me at 301-832-4018 or rexusabutler@hotmail.com

Warm Regards,
Rex Butler
