DMV Witnessers Newsletter

~ Today's Witnessing HDH ~

"Put everything aside. And if you serve God and love your Parents, you must return to the heart we had in the early days and witness... Each person should witness. We must witness, whether we are awake or asleep."

"As this is the time in which Heavenly Parent, who is intangible and invisible, can work in substantial ways with True Parents on earth, you should be able to experience, feel, and act on your one initiative without True Parents teaching you at every stage. This is life in the Kingdom of Heaven on Earth."
- True Mother in recent speeches

CARP DMV's 7-Day Divine Principle Retreat

CAMP DMV just completed another victorious 7-day retreat in the Blue Ridge Mountains of West Virginia. Thirty participants joined, six of which were guests. Participants experienced presentations and activities teaching an overview of the contents of the Divine Principle, including True Parents' Life Course and Purity Education. One the final two days, the participants also experienced ACTIONIZING - a jam-packed weekend of Camping, Hiking, and Fundraising. Each guest had a transformative experience and they are anxious to continue activities with CARP through the Summer Mentorship Program.
