Young Families Service 11:00 AM

Hello brothers and sisters,

This Sunday we are trying out a different kind of service that is child-friendly and interactive. Instead of a traditional sermon, Adalia Tonneyck will lead us in a discussion about family and invite us to express our creativity through art. At the end I will offer a prayer for all those who are starting a new school year. Kids are welcome to bring their backpacks if they wish.

For those joining us from afar, you can watch the livestream here: [live.capitalhphc.org](http://live.capitalhphc.org).

God bless you,  
Pastor Natascha Phillips
