Dear Capital Family Church members,

We have an important announcement for everyone.

As you know, in our church, community leaders have already been appointed for each area of the DMV, and I believe they have been actively working within their respective communities for some time. As True Mother continues to emphasize harmony and unity, we would like to take this opportunity to once again strengthen our communities, with the vision of “One Family Under God” at the center, so that our communities can substantially testify to Heavenly Parent and True Parents through their actual fruits and results.

To that end, we are sending you the names and photos of the community leaders and ask that you please reconfirm which community you belong to.

Additionally, the leaders may reach out to you individually, so we kindly ask that you warmly receive their calls or reply to their emails when they do.

Thank you for your understanding and cooperation.

Pastor Kenji Miyako and Highmy Her
