December 30, 2018

During the Sunday Service on December 30, 2018, we had 6 new Victorious Tribal Messiahs, who have completed the Blessing of 430 Couples. These were:

KINDJIHOUNDE Constant and Adonai

SONOUME Elias and Clotide

DANDJESSO Gaétan and Pierrette

LOKO David and Jeanne

SASAKI Tatsuo and Etsuko

OPALA Jean and Angèle

These couples have for the most part adopted the following strategies to invite and mobilize couples: Support of Chefs Villages or Town districts and Support of people in Jean-Baptiste's position.

During the event, our National Leader, Rev. and Mrs. ALLOGNON Emmanuel congratulated and thanked the 6 new Heavenly Tribal Messiahs while encouraging others to fulfill their responsibilities.

Participants at the event were moved and re-determined themselves for the fulfillment of the mission of Heavenly Tribal Messiahship.
