Following a long-standing tradition of WFWP Austria, we met on Jan 24th to listen to activity reports of different chapters of WFWP Austria: Suzuko Hirschman, Styria: an online series called PEACE THROUGH EDUCATION and Children's PAINTING CONTEST.

Merle Blaschke Soquila, Corinthia: MEET and GREET online platform, bringing together young activists from different parts of the world to share their contributions to the SDG's.

We also asked our Partner organizations to share about their activities.

It was impressive to learn how women are contributing to a culture of peace and healing in different ways!

The event concluded with dance performances of two of our members.

While sitting around coffee tables, enjoying some sweet and sour snacks, a lot of networking could take place.
