

# National Plan for CIG Year 1

## BULGARIA

Prepared by Deyan and Aranka Dimov, Vice National Leaders

### Our actual situation:

We have 12 blessed families, 29 second generation children from which 17 are school age (the eldest are 13years old). The families are located mainly in 2 communities, from which only few take part more often in the activities.

### Our regular, weekly activities in the Embassy of Peace are:

- Monday: "Seminar for Research of Absolute Values"- the topics are different, we use every year to give series of Divine Principle lectures and Unification Thought, often we invite outside lecturers with interesting topics, which we always discuss from the point of view of the Divine Principle.
- Wednesday: HDH and "Writer's Club"
- Sunday service

We will continue these activities during 2013.

First of all we would like to invest in brothers and sisters to become better lecturers, by organizing regular gatherings for lecture practice in order to build a well prepared team of lecturers.

### Plan for witnessing:

1. We would like to inspire blessed families to distribute intensively True Father's Autobiography in their neighborhood.
2. Our Embassy of Peace is giving place to many concerts and other cultural events organized by outside people; we would like to use them better for outreach, to contact and invite new people for our lectures, events.
3. For this reason we plan to print a leaflet or brochure which we can use in our outreach.

### Plan for education:

1. We plan in summer to organize a 5-7 day workshop for 2<sup>nd</sup> generation children.
2. Start again regular Sunday School for 2<sup>nd</sup> generation children
3. Every month 2 days Divine Principle Workshop (for new guests)
4. Every 3 months a 5 (7) days DP WS
5. Youth Club – weekly: Education for young guests about absolute sex values.
