

Goal and Strategy for the Vision 2020 of Denmark

1. Asserting the Situation of Our Providence

On the Foundation Day Ceremony 12 couples and three members attended, but active couples are seven, and second generations are almost not active. So it is unfortunately our real foundation.

Internally many members have difficulties in their families especially the relationship between husband and wife, parents and children, and their children's issue and their financial problem. And externally the bad rumour about our church has been strongly established in our society. So that members could not breakthrough those difficulties. It is the most reason why we could not succeed our witnessing.

Because of that our activities of the UPF and WFWP have been also not successful. It is our real situation.

2. Our Goal of Membership and Blessed Families

Our first priority of our providence is therefore to make bigger foundation and then we can do more activities of the UPF and WFWP. However it is not easy for our members to breakthrough the internal and external difficulties as motioned above, but the only hope is that members feel something different after Foundation Day. So it is good chance for us to restart our witnessing.

For the Vision 2020 our goal of membership is 80 and number of blessed families is also 70.

2013: 30	→	33, 12	→	16, 18 (core members, right now 15)
2014: 33	→	37, 16	→	20, 22
2015: 37	→	42, 20	→	25, 27
2016: 42	→	48, 25	→	31, 33
2017: 48	→	55, 31	→	38, 40
2018: 55	→	63, 38	→	46, 48
2019: 63	→	72, 46	→	55, 58
2020: 72	→	80, 55	→	70, 70

1. Active members try to witness by One-on-One and active blessed families try to guide one couple each to the next Blessing Ceremony.

2. We will guide new members to witness from 2014.

2. Our Strategy

A. Witnessing

1. The main witnessing is that we deliver True Father's autobiography using a stand on the street and to our friends, relatives, colleagues and so on, and then we invite them to "Study Cafe" where they share each other their reflection of the autobiography and we guide them to DP lecture.
2. We make friends through many kinds of events in our society, and then we guide them to DP lecture.
3. We have culture events for the witnessing, e.g. health meeting, music therapy, dance therapy, international food evening, summer party, fishing meeting, Xmas evening, meditation and so on.
4. We invite our contacts to DP lecture directly.

B. Education

1. We educate our contacts by One-on-One by using DP DVD and reading DP.
2. We sometimes have public DP lecture, e.g. short lecture, 1D, 2D or 3D.
3. We guide some of them who studied DP to European 7D.
4. We educate them by "True Parents' life course", "Blessing seminar".

C. Other Activities

1. UPF
 1. We continue Interfaith Prayer Meeting to make bigger foundation and educate AfPs.
 2. We have several events following UN Days, e.g. "Day of Families", "Day of Peace", "Universal Children's Day".
2. Second Generation
 1. We have second generation meeting and guide them to more active members.

Our national resolution

"Let us make friends, a friend per month and let us invite, visit or contact our guests, a person per week."
