The Cheongpyeong Resolution

Year 1 of Cheon Il Guk

The Era of the Victory, Liberation and Completion of the True Parents of Heaven, Earth and Humankind

- We will become True Parents' heirs by:
- Living lives of gratitude
- Understanding our Heavenly Parent's and True Parents' heart and will through practising the Hoon Dok Hwe tradition
- Taking responsibility as Blessed Families to become Tribal Messiahs who win respect and guide others to the Divine Principle and to the Blessing
- Building loving families and communities which inspire inheritance of True Parents' heart and empower a younger generation of leadership

The Cheongpyeong Resolution

Year 1 of Cheon Il Guk

We will support True Parents' Vision 20/20 providence by:

- Substantially increasing FFWPU membership and Sunday Service attendance
- Working through UPF and WFWP to appoint, educate and involve Ambassadors for Peace in our activities, including the establishment of Peace Councils and of the "Abel UN"
- Enabling substantial restoration on the national level
- Giving generously of our time and financial resources

Nations and Communities to set strategies and goals and additional points as appropriate for their national or local situation

Together we will emulate True Parents' life-or-death determination in fulfilling this Resolution
