1. Mission Statement

We make UPF's global peace network accessible for young people – the leaders of the future.

We offer leadership trainings and internship opportunities around Europe for young people who care, **to raise them to be leaders.**

1. Mission Statement

We introduce youth directed sessions and innovative conference elements in UPF's Leadership Conferences.

We create a community of young Ambassadors For Peace, connect them with opinion leaders and support their work to create change in their communities, nations and around world.

That each providential nation at least one person (AFP or 2nd Gen) person that made a nationally recognized impact on society, that was raised and supported by (Youth) UPF and is publicly testifying to the life and teaching of True Parents.
