

2-Day Divine Principle Seminar

Latvia, Riga, Makoto Ando, February 2 - 3, 2018

In Riga, in Peace Embassy the 2-day Divine Principle seminar was held with 21 participants. The seminar consisted of Divine Principle lectures and group activity.

Seminar's atmosphere was very nice spiritually. Original goal was to testify about True Parents and invite to the Sunday Service, but guests' situation and spiritual level was very different than what we expected. That is why we changed our plan and didn't invite new guests. However some CARP members who attended the seminar joined Sunday Service as planned.
